FOUNDER'S MESSAGE

LATE SHRI RAM NARAYAN SWAMI

Education is the cornerstone of a thriving society. At Swami RN, we believe that every child must grow not just in knowledge but in character, becoming a beacon of hope for humanity. "A nation's strength lies in its educated youth," and we strive to instill values that shape responsible global citizens. Quality education is the foundation upon which a brighter future is built. Let us work together, for "an investment in knowledge pays the best interest." As we nurture young minds, we illuminate paths of wisdom, ensuring they contribute positively to the world. "Education is not preparation for life; it is life itself."

SUCCESS IS NOT A DESTINATION
IT'S A **JOURNEY...**

ACTIVITY TOUR

SPLASH: EXTRAVAGANZA POOL PARTY

The motive behind organising this activity is to develop kids motor skills improve their eye-hand coordination and enhance their gross motor skills through tapping their little hands and feet, bubbling & splashing water all around

TRASH: FANCY DRESS ACTIVITY

Teoler's tiny tots flaunted on stage dressed up in costumes made up of waste material and spread a message of practicing the four R's Reduce, Reuse, Refuse and Recycle to save the environment

KNOW THE TRAFFIC RULES

Traffic rules activity aims to promote awareness and understanding of road safety regulations, encouraging individuals to follow them in order to reduce the risk of accidents and ensure the safety of pedestrians, cyclists, and drivers by actively engaging them in learning about traffic signs, signals, and appropriate road behavior.

RAKHI MAKING ACTIVITY

Rakhi making activity is to celebrate the special bond between siblings, symbolized by the "Rakhi" thread, it allows individuals to creatively express their love and commitment to protecting one another, while also fostering cultural values and promoting fine motor skills through the act of crafting the rakhi itself.

CHILD ABUSE AWARENESS ACTIVITY

A child abuse awareness activity designed especially for our pre-primary students to promote safety and understanding of the difference between GOOD Touch BAD Touch.
