BIKANER - RAJASTHAN

SHRI RAM NARAYAN SWAMI

A Renowned Educationist

A MESSAGE FROM THE CHAIRMAN

Respected Guardians

The Management of RN RSV School profoundly introduce you an ideal school which contains modern high-tech technology and great ideologies of our Indian Culture as well. The school is named after the renowned educationist **Sh. Ram Narayan Swami**, an eminent personality who has dedicated his life to impart education to the children who will be the future of India having attained education with advanced technology clubbed with contemporary values and ethics. In his opinion best education means preparation of an ideal citizen who will be full of unparalleled knowledge and a vibrant dynamism, who will be the future scientists, doctors, engineers, entrepreneur author, economists, who will transform and lead the modern India. The school is housed in a magnificent multi-storied building equipped with all the necessary equipments and basic modern facilities required for an ideal and advanced school. All the main features of the institution have been enshrined in this prospectus. Established at the prime location of Karni Nagar, Bikaner, it was a dire need of the guardians not only from the surrounding localities but from Bikaner as an whole. The guardians who are anxious to provide their ward a meaningful education, are most welcomed to be associated with the school.

Subhash Swami
Chairman

RN RSV SCHOOL

Introduction

Established and recognised by the Central Board Of Secondary Education, New Delhi, the school is named as "RN RSV". Due respect and honor to the eminent educationist and founder of the renowned schools of Bikaner and a known figure in the national world **Shri** Ram Narayan Swami. The school runs under Swamiji Shikshan Evam Anusandhan Sansthan, a society registered under Societies Registration Act. The members of the society are also renowned eminent figures in their respective fields.

The main objective of establishing the institution is :

- * To provide best and quality education to the students which is the basic requirement of the modern education world.
- * To prepare ideal citizen through education.

We long for shaping the new generation into ideal citizen through education, in contemporary values and ethics. As attainment of a goal, in absolute terms, is never complete, it is the unflinching and untiring endeavor and perseverance that indicates the devotion to it. Taking it to be doctrine, we are continuously and seriously making efforts in this direction.

Housed in a magnificent multi-storied building, the school is located in a prominent ideal area where establishment of an ideal school was the need of the hour. The student - teachers ratio is being maintained optimum ideal. It has a fully developed laboratories and advanced full fledged library in addition to it a small library with minimum required number of books available in each class room to facilitate the students as well as the teacher. This is a unique feature available only in this school.

The management is determined to provide quality education to students with the objective to have the school to be figured as one of the best institution of Bikaner region.

The medium of education is exclusively English. Highly qualified trained teachers, fluent in English and expert in their respective subjects with dedicated service are employed. The mutual conversation in the school is also exclusively and compulsorily English.

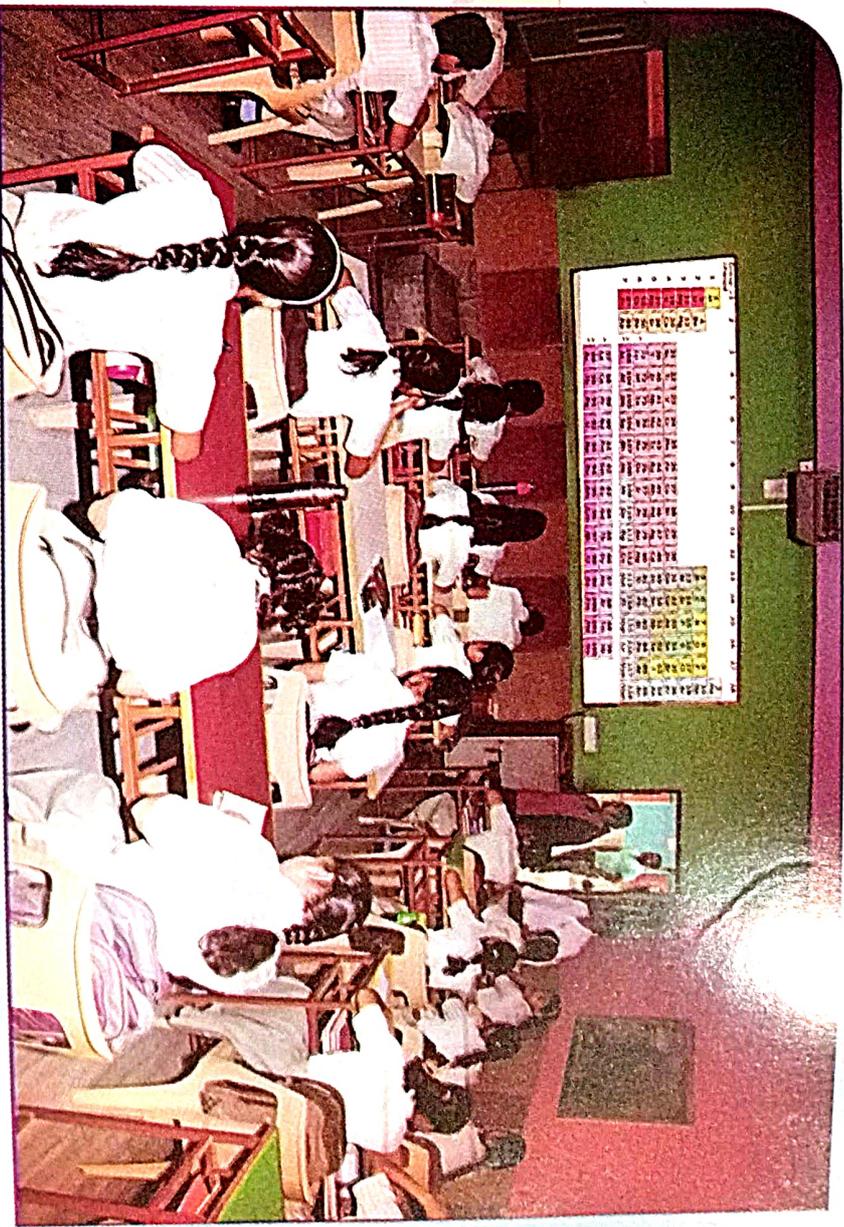

FEATURES

- * Centrally air cooled magnificent building
- * Interactive Hi-Tech SMART class rooms with Smart Board technology solution

Cultural Programmes

OTHER FEATURES

For an effective teaching, hi-tech audio- visuals aids are used. As far as possible, healthy environment is maintained in campus. The students from Nursery to First Standard are also facilitated with quality refreshment. All these features have only one objective that is to make the foundation strong and dynamic.

ADVENTURE CAMPAIGN

To create an interest and to bring enjoyment in life, education cum adventurous tour are arranged by the institute. This include visiting sight-scenes of important historical places. The aim of organising such tours is to-

- * Develop the feeling of co-operation
- * get adapted even in adversity

DISCIPLINE AND ITS IMPORTANCE

It is a well known fact that discipline makes a man perfect and enable him/her to do any sort of work properly and efficiently. But now a days we are facing decline in the value and importance of discipline. The new generation is missing the word " Discipline" in their code and conduct.

The importance of the discipline can be brought forth with the help of the following facts:

- * A student can put his mind and body entirely towards the act of learning only through knowledge.
- * Accomplishment can be obtained only by hard work done with honesty and discipline.
- * To achieve success self discipline is the most important ingredient next to ability.
- * Ability without discipline is worthless.
- * The first lesson provided by the institute to its students is related to : Discipline and its Importance . More and more attention is paid on this issue and every student elevating good qualities and maintaining the purity of personal character of each

SOCIAL WORK

In addition to academic education, stress is laid on -

- * Contribution to Swach Bharat Abhayan
- * Organising camps for Yoga wherein renowned Yoga instructors are invited to conduct sessions outside. In addition to students, staff of the school, public in general are invited to join the camps and get benefitted.
- * For making environment awareness, Yagya and Hawans are organised and public is made aware of its scientific importance
- * Camps for providing treatment to the needy and aged patients are organised wherein team of expert doctors render their services.
